

ABOUT OFFICER AUGUST BAKER

Officer August Baker is the only officer in the Cumberland Police Department's 169-year history to be killed in the line of duty.

Officer Baker was making an arrest when he was shot in the chest, and he died two days later, on October 5th, 1907.

The Baker Family Monument will be erected on the family lot of 8 unmarked graves in Greenmount Cemetery. The goal is to raise \$8,000 for a granite marker 8'8" tall to be dedicated in May 2022. August 30th is our target date for completing fundraising!
